Swiss Roll Recipe for Division H, Class 9

Ingredients:

Butter, to grease	4oz (125g) golden caster sugar
3 large eggs	4oz (125g) plain flour
4oz (125g) jam, warmed	Extra caster sugar and plain flour to dust

Method:

1. Grease and line a 13" x 9" (33 x 23cm) Swiss roll tin; grease the paper. Dust with caster sugar and flour.
2. Put the eggs and sugar in a large heatproof bowl and whisk until well blended using a hand-held electric whisk. Put the bowl over a pan of hot water and whisk until the mixture is pale and creamy, and thick enough to leave a trail on the surface when the whisk is lifted. Remove bowl from pan and whisk until cool and thick.
3. Sift half the flour over the mixture and fold in very lightly using a large metal spoon or spatula. Sift in the remaining flour and gently fold in until evenly incorporated. Carefully fold in 1 tbsp hot water.
4. Pour into the prepared tin and tilt the tin backwards and forwards to spread the mixture evenly. Bake at 180C (fan oven) mark 6 for 10-12 minutes until pale golden, risen and springy to the touch.
5. Meanwhile, put a sheet of greaseproof paper on a damp tea-towel. Dredge the paper with caster sugar.
6. Quickly turn out the cake on to the paper and remove the lining paper. Trim off the crusty edges and spread the cake with jam.
7. Roll up the cake from a short side, with the aid of the paper. Make the first turn firmly so that the cake will roll evenly and finish with a good shape, but roll more lightly after this turn. Put seam-side down on a wire rack and sprinkle with sugar to serve.

LAWN TREATMENT SERVICE

Poem inspired by Roald Dahl's Revolting Rhymes and George's Marvellous Medicine for Division O Class 4 (handwritten copy), Division P Class 4 (handwritten copy) and Division Q Class 4 (handwritten and illustrated copy).

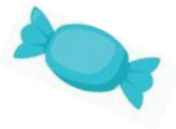

Medicine to Cure a Naughty Child

Spiders' legs and earthworm tail,
Let flames engulf for quite a while,
Add sweets and chocolate treats,
Some old and rotten nasty meats.

Leave in fridge for just five hours,
Then drink it down with bluebell flowers.
For most maximum effect,
On your behaviour you should reflect!
